*** You have to do applying for HIEA online (HY-in Portal) by yourself.**

- Results announcement: Mid-Oct
*** Check the result at HY-in**

1. Introduction

HIEA aims to help international students have successful life of studying abroad in HYU who have achieved notable academic progress and been a good example for other students.

2. Who is eligible for HIEA?

① Students who are currently attending campus and studying at the HYU for more than 1 semester. (Except students who took a leave of absence, completed studies but haven't graduate, extended school or didn't pay the tuition fee, students who have been enrolled for more than 7 semesters in a Master and Ph.D combined program)

② Students who was entered by those admission processes like 1) International students with **foreign citizenship** whose parents both have foreign citizenship(Undergrad & Grad) or 2) International students who have completed the entire elementary, middle, high school and undergraduate education outside Korea(Grad). (Including English track)

③ Students who is taking another scholarship in the university such as academic scholarships from your departments or natural sciences engineering scholarships.

※ But Hanyang International Excellence Award (HIEA) scholarship will be awarded only if the recipient is eligible for an amount greater than the existing scholarship.

√ ***Case #1*** When you are selected for 30%/50% of HIEA while receiving 50% of natural sciences engineering scholarship.

→ You can only take 50% of natural sciences engineering scholarship.

√ ***Case #2*** When you are selected for 50% of HIEA while receiving 30% of academic scholarship.

→ The academic scholarship of 30% will be replaced by the Hanyang International Excellence Award (HIEA) scholarship of 30%. An additional scholarship of 20% corresponding to the difference will also be provided.

④ Undergraduate & Graduate school students cannot apply for HIEA when taking other scholarships outside of university (including KGSP, Pakistan, Vietnam, Samsung global, Chung

Mong-Koo foundation scholarship etc) that does not allow you to benefit from both of scholarships.

3. Qualifications

① GPA

1) Undergraduate students who achieved at least GPA of 3.0 last semester

2) Graduate students who achieved at least GPA of 4.2 last semester

② Language certificate

Students who have **valid TOPIK certificate or IELTS/TOEFL iBT(for English track)**

1) TOPIK certificate must be **valid** until applying HIEA deadline(26.09.30)

2) Students who have entered the English track can submit **IELTS or TOEFL iBT(above a certain score)** in substitution for TOPIK certificate.

※ If you upload a **valid certificate** until applying HIEA deadline(26.09.30) for **IELTS Grade 7 or higher, TOEFL score 93 or higher, you will be given *5 points equally.***

③ Student who paid tuition fee

Division	Period	Note
Pay full tuition fee	26.08.24 ~ 26.08.30	
Pay full tuition fee(addition)	26.09.04 ~ 26.09.11	
Divided application for tuition fee(first time)	26.08.13 ~ 26.08.19	**Way of application:** HY-in > apply > registration/scholarship > apply divided pay for tuition fee
Divided application for tuition fee(addition)	26.08.31 ~ 26.09.02	

4. Evaluation Process

Step 1: Apply for HIEA online

Step 2: Upload TOPIK (IELTS or TOEFL for English track students) score and certificate

1) TOPIK (IELTS or TOEFL) score, grade, date of acquisition

2) Upload TOPIK (IELTS or TOEFL) by attachment

※ Way of TOPIK (IELTS or TOEFL) upload : Scan the TOPIK(IELTS or TOEFL) transcript(Can check the document number in the upper-right) -> HY-in -> My HOME -> Student's info-> Manage non-subject field-> Upload to linguistic ability exam

※ You must complete all of the steps.

Step 3: Pay tuition fee

※ If any problems occur in the documents uploaded or payment of tuition fee, it will be excluded from HIEA screening.

<Caution> We do not conduct paper screening and interview

5. Evaluation Ratio : GPA(90%) + TOPIK grade (10%)

For students in the English track, GPA 90% + IELTS or TOEFL 10%

- Standards for scholarship process

① Undergraduate and Graduate applicants are screened separately.

② If the conversion score is tied

- Undergraduate : in the order of those with high credits in the previous semester, high credits in major subjects in the previous semester, high cumulative GPA credits, high cumulative credits.

- Graduate : in order of the score of TOPIK(IELTS or TOEFL for English track students)

③ We give different points depending on TOPIK grades.

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
2	3	4	6	8	10

④ Students who have entered the English track can submit IELTS or TOEFL iBT (above a certain score).

※ If you upload a valid certificate for IELTS Grade 7 or higher, TOEFL score 93 or higher, you will be given 5 points equally.

Point	2	3	4	5	6	7
TOPIK	Level 1	Level 2	Level 3	Level 4	Level 5	Level 6
Point	5					
IELTS	Over the Level 7					
TOEFL	Over 93 points					

6. Benefits

① Scholarship period: For one semester

② Amounts: Recipients will receive different amounts according to the evaluation results.

※ The number of students who selected and amounts of scholarship can be different every semesters.

7. Method of payments for scholarships

You should pay tuition fees during a period of tuition payments, and it will be credited to your personal accounts **in Oct.**
