Admission Notice for 2023 Fall Intake(September)

1 Seoul or ERICA campus applicants must make application through the Office of International Affairs, Seoul Campus.

No separate application between campuses, no dual application, same as before

2 The Launch of a New Department : Seoul Campus <Online Degree Course>

- Starting with the recruitment of new admission for 2023 Fall semester, the <Online Degree Course> will be established as follows

Campus	Graduate School	College/ Division	Department
Seoul	General Graduate School	Engineering	Department of Digital Fusion

A. Introduction to the Department:

- Aims to foster multi-discipline students who can solve social problems or design business models by transforming or combining related methodologies through digital fusion
- Consists of 100% foreign students and plans to cultivate differentiated talents who possess digital convergence abilities suitable for their own country's environment
- Trains intelligent digital system experts who can actively respond to rapidly changing market conditions by linking the technologies related to the 4th Industrial Revolution such as IoT, big data, artificial intelligence, and robots with system/work/cooperation/business transformation, which is a key concept of digital transformation.

B. Course Type: 100% Online

C. Scholarships

- 50% tuition fee reduction for all enrolled students / 70% tuition fee reduction if selected through a comprehensive evaluation
- Scholarship period: 4 Semesters
- Scholarship requirement: Maintenance of GPA 3.0 and above for all semesters
- 100% reduction in the first semester's tuition fee when entering our Ph.D. program after graduation (admission fee will not be included)

D. This online degree course is only an official department approved by the Ministry of Education of Korea, and will be given the same degree as the offline course of a general graduate school. The graduates can also pursue the Ph.D. course.

※ In case of China, the online degree courses are not recognized as degrees. There are some countries other than China which applies the same, so please ensure to check the education system of one's own country before application.

E. The online degree course holds by 100% online, D-2 visa will not be issued.

F. For more information, please visit (https://oia.hanyang.ac.kr/online_degree).

3 Notice on Online Korean Language Test

- Information on the online Korean language test will be informed later depending on the COVID-19 situation.

※ The conditional admission policy will remain in effect (TOPIK non-holders are still eligible for the application).

4 Notes for Final Academic Certificate Submission

- Applicants are required to provide their final academic certificate following <05. Required Documents> by the submission deadline.
- Admitted students who were unable to provide the verified final degree certificate following <05. Required Documents> must submit it to the OIA in person or by post during the tuition payment period. Otherwise, the issuance of Certificate of Admission will be restricted in accordance with Ministry of Justice regulations.

※ Refer to <05. Required Document> for more details.
